Well, today I finally got a chance to record our next edition of the CrossPointings.org podcast. It's been a long-time coming, and I think it was well worth the wait. In this edition I interview Father Kevin Goodrich, an Anglican Dominican Priest and author of Cell Phone Spirituality. He's an interesting guy, with some important things to say about our experience with Christian spirituality. The book's interesting too, why don't you pick up a copy? You can click below to listen to the interview, or you can subscribe to the podcast by the podcast link on the left of the screen.
