We had such a good time recording the podcast this week that we had to break this episode into two parts! This is part 1 - and here are the participants:

- Me - This is all my fault. Oh, and I'm a Christdot admin
- Michael - The man with the cool sound effects
- Jim - Christdot Admin, don't even try to understand his blog's sub-title.
- Matt - Checking out Orthodoxy and generally freaking out his neighbors because of it.
- Chris - Youth pastor at West Swamp Mennonite Church
